# The 5<sup>th</sup> International Conference on Information Technology and Security (IC-ITECHS)

***“Empowering Education with AI and Immersive  
Technology for Sustainable Innovation”***

***Supported and co-Host:***

# Greetings from General Chair

Dearest Conference Participants

We have gathered here to discuss the scope of Application for Technology of Information and Communication. I am highly honored to take this opportunity, on behalf of all committee and organizer, to welcome all of you today to this International Conference on Information Technology and Security (IC-ITECHS).

IC-ITECHS is an annual international conference organized by STIKI Malang in collaboration with several partner universities. IC-ITECHS was held online on Thursday, 5 December 2024. The theme of the conference is Empowering Education with AI and Immersive Technology for Sustainable Innovation. All accepted articles will be published in international online proceedings with ISSN.

Therefore, I would like to thank all the organizers, supporters, and organizing committee members of IC-ITECHS 2024 who have made this conference happen. I believe that without their support and hard work, IC-ITECHS 2024 would not have come true.

We do hope that this conference is also going to be a great success, and we request for your support to make this event a memorable and successful one.

With warm regards

**Addin Aditya, S.Kom., M.Kom**
